# ONLINE & HARDCOPY CATALOGUE

Now Online  
**[www.ugacat.ug](http://www.ugacat.ug)**  
A recommended UNCCD database

**SLM CATALOG**  
NOW AVAILABLE IN HARD COPY

**UgaCAT**  
UGANDA CONSERVATION APPROACHES AND TECHNOLOGIES

NATIONAL SLM DATABASE LINKED TO THE GLOBAL WOCAT DATABASE - A PRIMARY RECOMMENDED DATABASE BY UNCCD

# DATABASE FUNCTIONS

## Decision Support, Guide, Tool , Reference

- Enables data sharing across scales
- Improves data access
- Increase end user productivity
- Allows data integration minimizing inconsistencies
- Improves decision making
- Supports best practices reporting at national and global levels

Enabling poor rural people  
to overcome poverty

# Mandatory Capacity Building

Towards supporting continuous review, updating and expanding the database so as to catalyze:

- Learning and sharing
- Networking
- Building new datasets
- Using new generation technology and application

# APPRECIATION

## THANK YOU TO ALL PARTNERS

**Dr Patience Rwamigisa** – The Commissioner for agricultural extension and Skills Management MAAIF has been exemplary supporting mainstreaming SLM practices in extension system in Uganda.
